

We are now taking enrollments for our

Second Semester Session

Beginning Monday, January 13th through early June

This session concludes with our June Show Performances!!!

Look through the following schedule to find the classes that interest you and work for your schedule

All classes are listed by age and level of experience

Those currently enrolled, should remain in their current schedule, as our program is based on a year long syllabus - you may opt to switch to a different section of the same class(es) for any reason, pending availability

****Please connect with us on facebook as openings and closings of the following classes are subject to change - any changes will not show here, but will be updated in real time on our facebook page!**

2025 Second Semester Season Schedule - Beginning Monday, 1/13!
